

Certificate

Certificate of conformity of the Factory Production Control

1231-CPR-1090-1-2013-A-195

Building Product

Loadbearing components up to and including EXC 4 according to product standard EN 1090-2:2018
135, 111 and 141
S235, S275, S355, S460, Stainless Steel 304L and 316L
Meets required knowledge. Details included in report.
1, 2, 3b and 3a

Applied welding processes
Applied parent materials
Responsible Welding Coordinator
CE – marking method

Placed on the market under the name or trademark by

James Engineering Constructions Ltd.
Wood Street North, Meadow Lane Industrial Estate
Alfreton, Derbyshire, DE55 7JR
United Kingdom

Produced in the manufacturing plant(s)

James Engineering Constructions Ltd.

United Kingdom

Conformity

This certificate attests that all provisions concerning the assessment and verification of the constancy of performance described in Annex ZA of the standard(s) EN 1090-1:2009 + A1:2011 under system 2+ are applied and that the factory production is assessed to be in conformity with the applicable requirements.

Period of validity

This certificate was first issued on 20-03-2014 and will remain valid as long as neither the harmonized standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant(s) are modified significantly, unless suspended or withdrawn by the notified body for the factory production control. The validity of this certificate can be verified at <https://www.tuv.nl>. Changes as stipulated in EN 1090-1 that can affect the validity of the certificate shall be submitted to TÜV as obligation by the manufacturer in writing via <https://www.certificering-keuring.nl/en-1090-wijzigingsformulier>.
